This fully refereed, electronic journal provides established and emerging scholars and practitioners with a space for critical and empirical analysis of issues central to Maltese education policy, curriculum reform and pedagogy. The scope of this journal is not limited to schooling. JMER should be of interest to scholars and practitioners working in: pre-school education; adult and continuing education; vocational training; popular education; popular culture; education for leisure; museum education; media education; distance learning; open learning; education and the Maltese diaspora; education administration and management; education planning; and history of education.
Volume 2 Number 1 2003

George Camilleri. Negative Transfer In Maltese Students’ Writing In English 3

Jacqueline Rotin. Changing Practice In Dealing With The Sec Examination Course Work Through Action Research 13

Raphael Vella. Translating The Avant-Garde Into Esperanto 26
